1. CUSTOM ORDERS CANCELLED IN PROCESS

Any custom design project order cancelled within 2 weeks of the scheduled ship date may will be subject to loss of 25% deposit required for custom orders. Typically, the order is complete within this time frame, and construction of the custom unit is in the final stages. The 25% cancellation fee recovers expenses for the unique material and labor incurred by BaseVac.

2. SALES POLICY

BaseVac dental products are sold to health professionals through authorized Dental and Medical dealers that have sales and technical service teams to provide after sales support. To qualify as an authorized BaseVac dealer, a dealer must meet the qualifications set forth in and sign a BaseVac Authorized Dealership Agreement. BaseVac supports it's dealers by creating demand for our products by advertising, web site, exhibits, lectures, and sales talks and technical service training. BaseVac does not warrant non-BaseVac products.

3. TERMS

Taxes: Any sales, use or manufacturer's tax which may be imposed on the sale of BaseVac products shall be in addition to the quoted prices and paid by the dealer. If an authorized dealer is exempt from any such taxes, dealer shall furnish BaseVac evidence of such exempt status. **LIMITATION OF LIABILITY: BaseVac SHALL NOT BE LIABLE FOR ANY LOSS OF USE, REVENUE OR PROFITS, OR FOR ANY INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR IN CONNECTION WITH THE SALE OR USE OF THE PRODUCTS, WHETHER ARISING IN CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY OR OTHERWISE.** This provision does not apply to third party claims for personal injury arising as a result of BaseVac's negligence or product defect.

4 TRANSPORTATION

All products will be shipped F.O.B., 21-3615 Laird Road, Mississauga, Ontario L5L 5Z8
These terms and conditions are a part of any agreement of sale made by BaseVac to sell products to a dealer and shall govern the sale of the products. A purchase order for the products shall constitute acceptance of all of these terms and conditions despite any additional or contrary terms that may be contained in such purchase order, the same being hereby rejected. Authorized Dealers acknowledge that this is a commercial and not a consumer transaction. These terms may not be changed, modified or amended except in writing signed by duly authorized representatives of the parties. If a purchase order's terms conflict with those contained herein, these terms and conditions shall apply.

5 LEAD TIMES FOR NON-STANDARD - CUSTOM PROJECTS

Please allow 6-12 weeks for design, fabrication, testing and shipping of custom solutions.

6 WARRANTY POLICY

The Seller (R. E. Morrison Equipment, BaseVac) warrants to Buyer (Original Consumer, Purchaser, or End User) that its products will be free from defects in materials and workmanship for the periods listed below:
HD Series Vacuum: 5 years, unlimited hours
MVAC Series Vacuum: 5 years, unlimited hours
D & S Series Compressor: 2 years, unlimited hours
SUR Series Vacuum: 2 years, unlimited hours
BaseVac Custom Solutions: 1 year, unlimited hours
HD Series Upgrade Kits: 2 years, unlimited hours
Replacement Motors: 1 year, unlimited hours
BaseVac Add-On Accessories: 1 year, unlimited hours
BaseVac Replacement Parts: 90 days, unlimited hours

This date of purchase shall be the actual date the product(s) was shipped from an authorized Distributor of the Seller or the Seller's own facilities to the Buyer. Formal proof of receipt may be required. It is the responsibility of the Buyer to inform the Seller's "Customer Service Department" of any problems with the operation of the products within the applicable warranty period and to obtain authorization prior to returning such product for warranty consideration should it be deemed necessary.

WARRANTY SERVICE CAN ONLY BE PROVIDED BY SERVICE PERSONNEL AUTHORIZED BY R.E. MORRISON EQUIPMENT INC., DBA BASEVAC.
All products authorized for return shall be sent with shipping charges "PREPAID" to the Seller at 3615 Laird Road, Unit 21, Mississauga Ontario, L5L 5Z8 or an approved Warranty Service Center. A Return Authorization Number shall be provided to the Buyer to be placed on the outside of the package as well as any enclosed packing list. All shipments received "Freight Collect" by Seller will be refused. After the product is received, a detailed analysis will be made as to the nature of the problem. Should it be found that there is a defect of materials or workmanship, corrective steps will be immediately taken either to repair or replace in whole or in part the defective item(s) at no charge to the Buyer. Should the seller determine it best to replace the whole product with a new identical product, the warranty on the new product shall be in force only to the extent of completing the warranty period of the originally purchased product. The repaired or replaced product will then be returned to the Buyer freight prepaid via standard motor freight, and a credit in the same amount of the return standard motor freight charges will be issued to the Buyer as reimbursement for the incoming freight.

Exceptions:

The warranty excludes damages resulting from one of the following causes. If it is determined by the Manufacturer that the damage was the result of one of these causes, the Buyer will have the option to pay to repair or replace their equipment at the Manufacturer's standard market price or to have their equipment returned to them at the Buyer's cost.

1. Damage resulting from improper installation.
2. Damages during shipping on standard FOB shipping terms.
3. Damage occurring during unloading, unpackaging or moving the equipment at the customer site.
4. Operation outside of specified electrical and environmental conditions.

5. Damage from improper maintenance.
6. Damage from misuse, abuse, accident or alteration.
7. Damage from improper electrical supply and/or wiring.
8. Damage from excessive foreign materials (dirt, dust, metal, plastic, etc.) ingested by the unit.

Exclusions:

This warranty excludes normal expected wear and service items including but not limited to: Filters, O-rings, Hoses, Water valves, Drying substrate and Carbon vanes. This warranty excludes third-party accessories including amalgam separators and specialty parts used in conjunction with the BaseVac products. These accessories are covered by the original manufacturer's warranty.

General:

This warranty is not a performance guarantee. BaseVac's liability is limited only to the replacement cost of BaseVac equipment and mechanical services conducted at the BaseVac facility. BaseVac is not responsible for dealer or service company or other third-party charges or shipping costs. Claims for shipping damage must be filed with the carrier. The total value of the warranty coverage is limited to the original purchase price of the equipment. This is the sole expressed Warranty of the Seller. No affirmations or promises of the Seller shall be deemed to create an expressed Warranty regarding a sale of Seller's products.

7 RETURN POLICY

No goods shall be returned without prior permission by BaseVac (RMA). If permission is granted for the return of goods, the amount of credit issued, if any, will be at the sole discretion of the BaseVac / R.E. Morrison office in accordance with established policies. If a return for credit is authorized, a 25% restocking fee will be charged on all catalogued items and regular products listed in our price lists. All non-standard products will be subject to a 35% return fee plus the cost of any damage repair. Once a return is Authorized, BaseVac will provide a "Return Merchandise Authorization" (RMA) number and shipping instructions to return the product to the proper facility. If the product is under warranty, we will ask you to provide proof of purchase such as a copy of your invoice to the client. Please be sure to include the RMA number on the package you are returning. No returns on Replacement Parts after 180 days from the date such are shipped by BaseVac. The customer is responsible for any freight costs. Where a new major component or part is shipped to the customer, the unused/defective part must be returned within ninety (90) days or no credit will be issued for the new part. Call Customer Service (800.668.8736) for instructions on obtaining an RMA #. Forms may also be obtained from our website, www.basevacdental.com.
